Whether it's having lunch with the basketball team, dressing to suit your own style, participating in athletics, cheering for your favorite team, staging a skit before the entire school, or displaying artistic talents through poster painting, the students at Bonita Vista enjoy doing their own thing.

An individual can participate in the many opportunities available in high school life without feeling pressured or put down; he can achieve self-pride and satisfaction if he believes in himself. With so much available and waiting to be done it is a time to experience what is happening around us and get to know ourselves.

Baron Spirit . . .

This year school spirit rose to an all time high, partly attributing to the formation of the "Rowdy Rooters", a cheering section designed to boost morale. At the football games many blue and gold shirts and hoarse voices could be found within the stadium. The crowds were so loud, other schools commented on Bonita Vista's spirit.

Other aspects of the increasing spirit could be found Friday mornings when athletes of all sports found their lockers decorated with surprises inside. This year the Baron mascot and cheerleaders never ceased to express their enthusiasm throughout the crowd. Also, they were involved in the support of the athletic teams. One example being the posters made for the teams to run through.

Perhaps the most memorable display of Baron spirit occurred before the football game between arch rival Hilltop High. Many students proved their spirit during an unforgettable toilet papering raid.

Queen Crowned In

Moment Of Tradition, Emotion

Homecoming Week activities were climaxed at the halftime show as the Bonita Vista Barons met the Southwest Raiders. Six beautiful girls, instead of the usual five, comprised the '76 court. They were driven around the field in Conestoga wagons, chauffeured by characters of the wild west. The girls were then escorted down a red carpet by last year's alumni. The announcer told of their interests and activities as the band and specialty corps played tribute. The girls were (opposite page lower left continuing clockwise) Holly Davies, escorted by Mike Fulton; Gerry Cox, escorted by Jack Burns, Roslyn Green, escorted by Bruce Rosendaht; Maya Elrick, escorted by Bobby Shields, Tracy Price, escorted by Chuck Fox; and Sherrie Lithgow, escorted by Ken Johnson. When the candidates had been introduced, runners-up were announced, with Tracy Price being named first runner up and a happy, surprised Sherrie Lithgow as queen. After receiving flowers and crowning, the queen, the six excited girls agreed it was a night to remember always. It was a beautiful night as Homecoming '76 drew to a close.

Foreign Exchange Students Prove

Friendship Universal

Foreign Exchange Students added variety and culture to the Bonita Vista campus. They taught us that similarities mean more than differences. They came from all over the world and were hosted by families in Bonita or Chula Vista. The year passed quickly, and they left memories that will never be forgotten with their friends in America. Bonita Vista was very fortunate to have shared in the learning experience of these eight students: (upper left, clockwise) Massimo Crose-Italy, Elizabeth Sarmiento-Ecuador, Johanna Hoef-Germany, Erja Anslin-Finland, Inger Lise Jensbye-Denmark, Mrs. Slijk-advisor, Abel Gabriel Assis-Chile, Jan Rydle-Sweden, Sabine Sohlke-West Germany

Extracurricular Offers Students Opportunity

Students are given the opportunity to participate in a variety of extracurricular activities. These activities are designed to provide students with a well-rounded education and to help them develop their interests and talents. The school offers a wide range of options, from sports and music to clubs and organizations. Students are encouraged to explore these opportunities and to find activities that they enjoy and that challenge them. The school's commitment to providing a comprehensive education is reflected in the variety of extracurricular offerings available to its students.

Peer Counseling Establishes New Outlet For Solving Everyday Problems

PEER COUNSELING

Peer Counseling under the direction of Mrs. Grouell held many successful meetings to discuss problems and solutions together. The students gained insight into their problems, enriching their understanding of themselves and others. Some students involved in peer counseling traveled to Bonita Vista Junior High to advise and counsel the students there. It was a highly successful new counseling technique here at B.V. The program was rewarding to the Peer Counselors themselves as well as to those looking for advice.

A group of young women, likely members of a school organization, are posed for a photograph. They are all wearing white, long-sleeved dresses. The group consists of about ten women of varying heights, standing in two rows. The woman in the center of the front row is slightly taller than the others. They are all smiling at the camera. The background is a plain, light-colored wall.

Athletics

Season Proves Disappointing; Barons Fall Short Of Goal

The Barons' season was a disappointment. They had a record of 10 wins and 10 losses. The team was led by Captain Mike Adams. The team's performance was disappointing. The team's record was 10 wins and 10 losses. The team was led by Captain Mike Adams. The team's performance was disappointing.

The Bonita Vista Barons winning tradition was scarred this season due to the inexperience of young players, but the Bonita Vista Barons entered the 76 football season ready for action and hopeful of a strong record. With the cheerleaders and Rowdy Rooters spirit, pep and pride were high.

The hard and determined Barons met up with the Montgomery Aztecs at Southwestern's field. Dae Henderson, playing one of his best games, came up with 15 tackles, tying a Barons record. The Barons pulled in front of the Aztecs and remained strong for a great part of the game. The game ended on a highly emotional note with both teams striving for the extra points needed. The Aztecs tied up the game with a last minute field goal, therefore dominating Barons control and taking the win.

The Barons faced Archival High the following week, ready to conquer the Lancers and capture their first victory. The game went steady and proved to be a relatively easy win for the Barons, outscoring the Lancers 16-0. Robert Ferguson and Mark Stevens led in offense, with Ferguson catching four of Mark's passes, leading to the two touchdowns needed to grasp the victory.

The Barons were faced with hard luck against the Chula Vista Spartans. Mark Stevens rushed 35 yards for the first touchdown, while Jeff Secher scored on a 5 yard burst up the middle. The defense led by John McCauley, Dae Henderson and Tim Kanask, worked together to rough up the Spartans. Unfortunately, the Barons fell apart in the second half, with Bonita's 12 points short of the Spartans' 33.

Barons' Hopes Shattered As Season Progresses

Forfeit Pushes Barons To Winning Season

The Barons celebrated Homecoming with a victory over the Southwest Raiders the following week, taking advantage of Southwest's poor playing and lack of confidence. Offense was consistent and powerful, easily breaking through the Raider defense.

The Barons were next matched with Coronado, confident of a win. The first half was slow and never seemed to get off the ground for the Barons, yet in the second half Bonita moved forward to overtake the Islanders, 22-6.

The season came to a close with a

victory against the Mar Vista Mariners. The Barons who had improved greatly over the course of the season dominated both offensively and defensively, with the final score 14-3.

Although Bonita Vista showed some excellent talent and good football techniques, they failed to capture a CIF berth. Yet with the new knowledge of their expectations and necessary goals to work toward the '77 season should be an improvement and lead to another future championship team.

Teamwork Inspires Winning Season

The JV griders finished the season with an impressive 6-3 record. Next year the JV squad should add the needed depth that the varsity lacks in players such as David Bezzo, Tony Scurto, Greg Stoike and David Bush.

Baron cross country spent many hours pushing their bodies through tough workouts under the fine coaching of Ed Teagle. The team had a single disappointing loss to Hilltop which kept them one step away from capturing the cross country banner for the fourth year in a row. Jeff Rutland was a great inspiration to his team, breaking records in the many three mile courses in which he ran. His outstanding times enabled him to be a first place finisher in almost every race he ran in.

Bonita Vista Water poloists came into the Metro League hopeful of capturing a fourth straight metro banner. Yet the relatively young team fell short of their goal because of a slow start early in the season. The team soon began to work together and came back to prove how strong they actually were, coming back to rip strong teams as Hilltop and Chula Vista in the Second half. With Mr. Bob Weaton as the new coach, the Barons will start working such promising athletes as Mike Jackson, Kevin Zarling, Bill Troino and Chris Taggart. The next season should be the perfect comeback.

Soccer Team Falls Short Of Goal

Barons Make It Three In a Row

The Bonita Vista Girls Volleyball put together another strong season, under the fine coaching of Jan Kimball. The team paced by Metro leagues MVP Ann Taylor won their 3rd straight Metro title.

The girls worked together to insure the best shots possible. There was consistent setting by Kathy George, Maria Henderson, and Patty DeGange, and powerful front row spiking of Dana Wall and Lucy Casarez. Consistent play was always provided by Sue Crews, Tami Steinwand, and Rowena Cruz.

The season's night games proved highly successful as well as upsetting. The season's only loss occurred against Hilltop, who went on to capture the CIF title, in a tough fought game. Another night game against Marian was the highlight of the season with the Barons playing to their potential. In the CIF playoffs Bonita Vista was upset by La Jolla due to lack of execution. Ann Taylor played her hardest even though just out of the hospital, but the girls failed to meet the fired up Viking standards.

Girls' Track Runs Over League

Depth proved the key factor for the girls' track team as they demolished many teams they ran against. Having many underclasspersons on the team Coach Pat Judd should have another fine championship team next year.

Team members are back row: Roberta Keiser, Jennifer Peterson, Tara Kuttner, Melissa Sheppard, Ashley Jones, and Kayla Jones. Front row: Lisa Williams, Shannon Jones, Betsy Kato, Dakota Nelson, Nicole Smith, Michelle Lujan, Nicole Lujan, and Kayla Williams. Skills, Teamwork Bring Metro Crown

Height, depth, and hustle were the strong points of the girls' basketball team. Led by Kathy George and Tami Steinwand, the team travelled far in competition.

Team members were L-R. Tami Steinwand, Lucy Casarez, Amy Brazil, Bridgette Ray, Julie Gauvin, Kathy Dastrup, Merry Suzan, Rene Taylor, Sheri Crowe, Kathy George and Coach Watt. Lower left: Julie Gauvin goes up for two. Middle right: Bridgette Ray jumps high for the tip-off.

Being on campus for three years knowing your way around, the familiarity of faces, plus added freedom and responsibility- these compose the position of a senior. A strong feeling of belonging is mixed with the inevitability of moving on. These surroundings have been home for a while and here we have learned to be comfortable and candid.

The Junior Class expresses their Pride during the fight song

A 4x6 grid of 24 black and white portrait photographs of young women, likely a yearbook page. The portraits are arranged in four rows and six columns. Each portrait shows a young woman with dark hair, wearing various styles of clothing typical of the mid-20th century. The images are slightly faded and have a grainy texture, characteristic of older printed photographs. The women are posed in a variety of ways, some looking directly at the camera, others slightly to the side. The background of each portrait is a light, neutral color. The overall layout is a standard yearbook grid format.

Jeanine,

So how's things going with
 you? Well things ~~are~~ going
 pretty good for me. Sorry
 that things ~~are~~ going bad
 with you and I. We'll
 probably get back some-
 day. It's been so long
 since I wrote you a
 note or anything like that
 so it's hard to think of
 what to write. I hope
 you'll have fun at Hilltop
 next year. Maybe I'll see
 you sometime this summer
 but I may not be able
 to get out there. So
 how's skateboarding? Funny
 huh? I hope my 11th
 grade is better than this
 year. Next year I'll probably
 won't be able to see you
 much but I'll try too. Well
 to tell you the truth I
 can't have anything more
 to write so write to you
 later

Love always
 Richard

Empty the heart, living in the water,
And I remember waiting for the dawn.

Reflecting on the water, the shadows of the trees
Speak of days and nights and a long time.
The setting sun is whispering to the water,
We have been here, remembering the water, to say

Open your eyes and see the bright new day,
A clear blue sky and brightly shining sun.

Open up your mind and let the light come in,
The earth has been reborn and life goes on.
